*Projects labeled as "Under Construction" include those that have had reported greater than 0% completed.

*Projects labeled as "In Progress" include those that have received funding commitments but have not yet reported a % complete.

* In some cases the Total DOH & CHFA funding exceeds Total Project Cost due to CHFA construction financing.

*Only projects with a Board Approval (or application date if Board Approval N/A) date after 1/1/11 are to be included on list

*Any Subtotal/Total amounts may be inflated due to multiple applications being captured for a single project
